***Terminal Disclaimer***

1. The terminal disclaimer filed on 01/17/2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of 6,704,462 has been reviewed and is accepted. The terminal disclaimer has been recorded.

**EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Rodack on March 09, 2009.

The application has been amended as follows: Claims 1-26 are amended please refer to the following attached pages.

***Reasons for Allowance***

3. Claims 1-26 are allowed.
4. The following is an examiner's statement of reasons for allowance. The closest prior art of record failed to teach or suggest, determining the width of the original image based upon the detected lateral edges, making a size presumption of the original image based upon the determined width, making a scanning resolution determination based upon the size presumption, continuing scanning of the original image based upon the scanning resolution determination. Therefore, in combination with all the other limitations claims 1-26 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
